

MAMMALS of the upper Mazar watershed

Compiled by the Fundación Cordillera Tropical, October 2010

Order/Family	Species	Common name (English)	Nombre común (español)	Habitat	Population	Status (IUCN)	Status (CITES)	Confirmed by	Comments
DIDELPHIMORPHIA									
Didelphidae	<i>Didelphis pernigra</i>	White-eared opossum	Zariguëya andina de orejas blancas	F	common	least concern	---	Taylor Jones	Formerly <i>D. albiventris</i>
	<i>Marmosops impavidus</i>	Andean slender mouse opossum, Tschudi's slender opossum	Raposa chica andina	F	uncommon	least concern	---	unconfirmed	
PAUCITUBERCULATA									
Caenolestidae	<i>Caenolestes caniventir</i>	Southern shrew opossum	Ratón marsupial de vientre gris	F	rare	near threatened	---	unconfirmed	
	<i>C. fuliginosus</i>	Common shrew opossum	Ratón marsupial sedoso	F, P	common	least concern	---	unconfirmed	
SORICOMORPHA									
Soricidae	<i>Cryptotis montivaga</i>	Small-eared shrew, Southern mountain least shrew	Musaraña montana de orejas cortas	F, P	uncommon	least concern	---	Catherine Schloegel	Incorrectly listed as <i>C. montivagus</i> ; endemic to Ecuador
CHIROPTERA									
Phyllostomidae	<i>Desmodus rotundus</i>	Common vampire bat	Murciélago vampiro común	F	abundant	least concern	---	unconfirmed	
Vespertilionidae	<i>Myotis sp.</i>	Little brown bat	Murciélago vespertino pequeño	F	---	---	---	unconfirmed	
LAGOMORPHA									
Leporidae	<i>Sylvilagus brasiliensis</i>	Tapeti, Brazilian rabbit	Conejo silvestre	F	common	least concern	---	Stuart White	
RODENTIA									
Sciuridae	<i>Sciurus granatensis</i>	Tree squirrel	Ardilla de cola roja	F	common	least concern	---	unconfirmed	
Cricetidae	<i>Akodon sp.</i>	South American grass	Raton campestre	F, P	---	---	---	unconfirmed	
	<i>Phyllotis sp.</i>	Leaf-eared mouse	Raton orejon	F, P	---	---	---	unconfirmed	
	<i>Icthyomys sp.</i>	Fish-eating rat	Rata cangrejera	R	---	---	---	unconfirmed	
Erethizontidae	<i>Coendou quichua</i>	Hairy dwarf porcupine, Andean porcupine	Puerco espín quichua	F	uncommon	data deficient	---	unconfirmed	
Cuniculidae	<i>Cuniculus taczanowskii</i>	Mountain paca	Guanta andina	F	rare	near threatened	---	Becky Zug	Formerly genus <i>Agouti</i>
Caviidae	<i>Cavia aperea</i>	Wild guinea pig	Cuy silvestre	F, P	rare	least concern	---	Round River	

Order/Family	Species	Common name (English)	Nombre común (español)	Habitat	Population	Status (IUCN)	Status (CITES)	Confirmed by	Comments
CARNIVORA									
Canidae	<i>Lycalopex culpaeus</i>	Andean fox	Lobo del páramo	P	common	least concern	Ap. 2	Round River	Formerly genus <i>Pseudalopex</i> Formerly in genus <i>Oncifelis</i> or as <i>Leopardus colocolo</i>
Felidae	<i>Leopardus pajeros</i>	Pampas cat	Gato de las pampas	F, P	rare	near threatened	Ap. 2	unconfirmed	
	<i>L. tigrinus</i>	Oncilla, Little spotted cat, Tigrillo	Leopardo tigre, Tigrillo chico manchado	F	rare	vulnerable	Ap. 1	Becky Zug 2009	
	<i>L. wiedii</i>	Margay	Gato tigre, Margay	F	uncommon	near threatened	Ap. 1	Becky Zug 2009	
Mephitidae	<i>Puma concolor</i>	Puma, Mountain lion	Puma	F, P	uncommon	least concern	Ap. 2	Stuart White	Formerly genus <i>Felis</i> Formerly genus <i>Felis</i>
	<i>Puma yagouaroundi</i>	Jaguarundi	Yaguarundi	F	uncommon	least concern	Ap. 2	unconfirmed	
	<i>Conepatus semistriatus</i>	Striped hog-nosed skunk	Zorrillo	F, P	common	least concern	---	unconfirmed	
Mustelidae	<i>Mustela frenata</i>	Long-tailed weasel	Comadreja andina	F, P	common	least concern	---	unconfirmed	
Procyonidae	<i>Nasua olivacea</i>	Mountain coati	Coatí andino	F	rare	data deficient	---	Becky Zug	
Ursidae	<i>Tremarctos ornatus</i>	Spectacled bear	Oso de anteojos, oso andino	F, P	rare	vulnerable	Ap. 1	Becky Zug	
PERISSODACTYLA									
Tapiridae	<i>Tapirus pinchaque</i>	Mountain tapir	Tapir de montaña	F	uncommon	endangered	Ap. 1	Francisco Cuesta	Tracks found
ARTIODACTYLA									
Cervidae	<i>Mazama rufina</i>	Brocket deer	Venado colorado enano	F, P	uncommon	vulnerable	---	Becky Zug	
	<i>Odocoileus peruvianus</i>	White-tailed deer	Venado de cola blanca	P	uncommon	least concern	Ap. 3	unconfirmed	Formerly combined with <i>O. virginianus</i>
	<i>Pudu mephistophiles</i>	Pudú	Ciervo enano	P	rare	vulnerable	Ap. 2	unconfirmed	

Habitat
F- Forest R- Riverine P- Paramo

Preliminary inventory based on visual reports by Mazar watershed residents, surveys for similar habitats, and scientific studies, as reported in:
